### La Quinta High School Blackhawk Brigade

*Mission Statement: With a high level of maturity, productivity, and pride, we will perform to the highest extent of our individual abilities to learn skills and ingrain habits to enhance our chances of success in all aspects of life.*

Dear \_\_\_\_\_,

I am a member of the 2017-2018 La Quinta High School Blackhawk Brigade and I need your help.

The Blackhawk Brigade is a group of dedicated musicians and dancers that develops and performs a marching band field show for football games and competitions.. The Blackhawk Brigade is the largest student organization at La Quinta High School. Participating in this award-winning marching band teaches students the value of hard work, dedication, and camaraderie while we learn and perform music.

There are many expenses associated with the Blackhawk Brigade that are not fully covered by the school: bus transportation, uniforms, instruments, equipment, and specialized musical instruction. Each student contributes approximately \$700.00 through payments, fundraisers, and sponsorships to help to cover these costs.

**The Blackhawk Brigade Member Sponsorship program is a way you can help me cover the expenses associated with my participation in this award-winning group.** Any amount you can send in will help. As a non-profit organization, your gift is tax deductible. Our tax ID No. is 71-0954077. Simply complete the bottom portion of this letter and then detach and return it to the address listed below. Participation in the Blackhawk Brigade is an amazing, life-changing experience. I appreciate your consideration of my request!

Very truly yours,
