

Bands of La Quinta High School

Mission Statement: With a high level of maturity, productivity, and pride, we will perform to the highest extent of our individual abilities to learn skills and ingrain habits to enhance our chances of success in all aspects of life.

Dear _____,

I am a member of the 2017-2018 Bands of La Quinta and I need your help.

The Bands of La Quinta are a group of dedicated musicians and dancers that encompasses marching band, drum line, beginning band, concert band, jazz band, and the wind symphony. The students in these programs work diligently to improve their musical talents by practicing on campus during school, after school, during the summer, and on weekends. These groups perform at a variety of venues including football games, marching band competitions, community events such as the 9/11 memorial, the City of La Quinta Veteran’s Day program, the Tamale Festival, the Tour de Palm Springs, and many more. The Blackhawk Brigade is the largest student organization at La Quinta High School. Participating in this award-winning marching band teaches students the value of hard work, dedication, and camaraderie while we learn and perform music. These are life-long skills which will follow us into adulthood.

There are many expenses associated with being a part of the Bands of La Quinta that are not fully covered by the school: bus transportation, uniforms, instruments, equipment, and specialized musical instruction. Each student contributes approximately \$700.00 through payments, fundraisers, and sponsorships to help to cover these costs.

The Blackhawk Brigade Member Sponsorship program is a way you can help me cover the expenses associated with my participation in this award-winning group. Any amount you can send in will help. As a non-profit organization, your gift is tax deductible. Our tax ID No. is 71-0954077. Simply complete the bottom portion of this letter and then detach and return it to the address listed below. Participation in the Bands of La Quinta is an amazing, life-changing experience. I appreciate your consideration of my request!

Very truly yours,
