

# La Quinta High School

## La Quinta High School Blackhawk Brigade Boosters

---

Michael Fleischmann, Director of Bands  
Rudy Wilson, Principal

Re: La Quinta High School Blackhawk Brigade

Dear Donor,

Please accept our sincerest gratitude for your generous donation of \_\_\_\_\_ to the Bands of La Quinta. By investing in the performing arts of our community you are investing in improving the lives of our youth and helping us shape their future at a critical time in their development.

Through music education these students learn the values of teamwork, dedication, and the disciplines that are necessary not only to produce inspiring music, but to instill the positive work habits that are necessary to create the future leaders and productive citizens needed in the workplace and the community. Your donation allows these dedicated students the opportunity to participate in these life-changing experiences.

We are grateful that you share our passion and our vision with this program. We wish you the best of success and hope to partner with you again in the future.

Sincerely,

**Michael Fleischmann**
